

Give Me Your Love

Timomatic

I can feel it in my bones, in my bones
We 'bout to get crazy, crazy
Oh, girl tonight I'm in my zone
So please excuse my misbehaving, behaving

Eh, eh, baby, don't be acting shy
You a freak, just let it out
And when the beat drops baby
Move a little closer,
Cause I'm gonna make you scream and shout

Give me your love
Cause I've been waiting all my life
Just give me your love
I need your love, love
Give me your love!
Give me your love!
I need your love

Can't wait to get you all alone
Cause it's gonna be amazing
From your head down to your toes
Girl it's your love that I've been craving

Eh, eh, baby, don't be acting shy
You a freak, just let it out
And when the beat drops baby
Move a little closer,
Cause I'm gonna make you scream and shout

Give me your love
Cause I've been waiting all my life
Just give me your love
I need your love, love
Give me your love!
Give me your love!
I need your love

Yeah, hey,
Hey baby give me your love
I need that sh*t like a drug
So take it low, low, to the floor, floor
If you don't give a what
I'm talking bang bang with that bip bip
Rolling out in that jeep jeep,
Life's too short and we're too gone
So we're going hard with no sleep, sleep
Long days, fast nights
Party like it's your last night, yeah!

Give me your love
Cause I've been waiting all my life
Give me your love

Give me your love
Give me your love
I need your love
