To Sir With Love

Tina Arena

Those schoolgirl days Of telling tales and biting nails are gone But in my mind I know that they will still live on and on But how do you thank someone Who has taken you from crayons to perfume It isn't easy, but I'll try

If you wanted the sky, I would write across the sky in letters That would soar a thousand feet high To Sir, with love

The time has come For closing books and long last looks must end And as I leave I know that I am leaving my best friend A friend who taught me right from wrong And weak from strong, that's a lot to learn What, what can I give you in return

If you wanted the moon I would try to make a start But I would rather you let me give my heart To Sir, with love

If you wanted the world, I'd surround it with a wall, I'd scraw l These words with letters ten feet tall To Sir, with love
