But I'm elephant tusking

(What you feeling like?) I feel like I'm the highest in the room I feel like I could fucking kiss the moon See shawty over there, bitch looking at me, she kinda cute See a nigga over there, he's steamin' on up like ramen soup I've been tripping, had a blue dream Breathe into me, you know Inhale, exhale, I'm so dizzy They can't see me, I'm gone Woah, oh, they don't go as hard as I do, oh I brought some to the party for you, oh I'll mix it up and serve it for you Party favors for you Party favors for you Oh, I got some party favors for you Oh, I got some party favors for you Oh, yeah baby I got that special just for you Oh, I got some party favors for you Clouds of smoke are rising in the air I feel their eyes when everybody stare See a hater over there, they scheming on me cause I'm the truth I'm with my homies over here and we ain't got no love for you I've been tripping, had a blue dream Breathe into me, you know Inhale, exhale, I'm so dizzy They can't see me, I'm gone Woah, oh, they don't go as hard as I do, oh I brought some to the party for you, oh I'll mix it up and serve it for you Party favors for you Party favors for you Oh, I got some party favors for you Oh, I got some party favors for you Oh, yeah baby I got that special just for you Oh, I got some party favors for you It's something fishy going on and I smell it You leave that dough around that girl and she'll deal it Papi stay outside the first time, I just forget it I know if she get pulled over, boy she'll tell it Yeah nigga I know Hit her with the sham, but no mop and glow Put that bitch on the E-way and it ain't no stop and go I took Hannah Montana before the show I got 50 bands on me, no Calico Rolling out that bounty check your visas Pull up in that 'Rari watch your G's house Hard smile for the one's that didn't believe us Hard dick for the ones that they wanna be with us Lots of bullets for them boys that misleaded us Yeah, nigga bustin', way too hot to touch him

Real gangsta, bitch, I'm on my Russian

Oh, I got some party favors for you Oh, I got some party favors for you

Oh, now baby I got that special just for you

Oh, I got some party favors for you
