

## Look Alive

Titus Andronicus

I'm awake, but I don't wanna get outta bed  
No, no, no  
Feels so fake to paint that smile on my head again

I look alive but inside I'm dead  
I look alive but inside I'm dead  
I look alive but inside I'm dead  
I look alive but inside I'm dead  
Dead  
Dead

Inside I'm dead  
Inside I'm dead  
Inside I'm dead  
Inside I'm dead
