## If I Was Your Girlfriend

If I was your girlfriend Would you remember to tell me All the things you forgot If I was your man if I was you man If I was your best friend Would you let me take care of you And do all the things only your best friend can Only your best friends can

If I was your girlfriend If I was your girlfriend

If I was your girlfriend Would you let me dress you I mean help you pick out your close Before we go out Not that you're helpless but sometimes Sometimes those are the things That being in love's about If I was you one and only friend Would you run to me if somebody hurt you Even if that somebody was me Sometimes I trip on how happy we could be Please

If I was your girlfriend If I was your girlfriend

If I was your girlfriend I know that you could treat me right I could see what you see And hear what you hear And most of all I'd feel what you feel

Oh make me wanna say If I was your girlfriend
