

## In the Belly of a Whale

Toadies

Do you want to hold my hand?  
Do you want to hold my hand?  
I tried to sink my demons in the drink  
So catch me if you can (hey)

Do you want to dance with me?  
Do you want to dance with me?  
Swaying to the beat in the belly of a beast  
Way down below the sea  
Where I'll shake them bones and rattle that sail  
Nobody has story to tell  
Shake them bones and rattle that sail  
In the belly of a whale

Now I am smiling proud: the match is burning out  
Looking for a spark; a fire in the heart, I can feel it now

So I'll shake them bones and rattle that sail  
Nobody has story to tell  
Shake them bones and rattle that sail  
In the belly of a whale

In the belly of a whale

(Hey) Do you want to hold my hand?  
Do you want to hold my hand?  
I tried to sink my demons in the drink  
So catch me...

Shake them bones and rattle that sail  
Nobody has story to tell  
Shake them bones and rattle that sail  
Nobody has story to tell  
Shake them bones and rattle that sail  
Nobody has story to tell  
Shake them bones and rattle that sail

I'm living in the belly of a whale
