

I Got It Bad

Toby Keith

I got it bad
I got it blue
I got it sad
I ain't got you
I did you wrong

You got the right
Look
What I had
I got it bad

Gone and left me lonely cryin' like a fool
I just can't believe love could be so cruel

I got it bad
I got it blue
I got it sad
I ain't got you
I did you wrong

You got the right
Look
What I had
I got it bad

I know someday ill get on my feet again
Ill get over you but baby, until then

I got it bad
I got it blue
I got it sad
I ain't got you
I did you wrong

You got the right
Look
What I had
I got it bad

Look what I had
I got it bad
