

She's a Hottie

Toby Keith

She's sittin' by the water where the river gets wide,
Think about swimming to the other side,
Got a Malboro red, and a can of cold Bud
Toes squished down in the Arkansas mud,

Hey Mister! Yeah, I kissed her.
Son, you ought to see her sister!
You've got to give a little something to a cool dark cat,
Finding him a woman who could shake like that,
Hottie, she's a Hottie! Got a smokin' little body
String bikini and a barbed-wire tat (tattoo)
She's rockin' that cowboy hat
Hottie, she's a Hottie! And just a little bit naughty
Kayay digidigy, Kayay digidigy, yey Hey hey hey Hey

She's slappin' down a dam
Where the moss gets thick,
Yellin' Yee Haw! she's a redneck chick,
Spittin' in the fire, puttin' on a show,
Struttin like a chicken to the radio,
Hey Slick! She's a hick!
Hmmm and her butter milk lipstick
Give a little something to a cool dark cat,
Finding him a woman who could shake like that,

Hottie, she's a Hottie! She got a smokin' little body
String bikini and a barbed-wire tat (tattoo)
She's rockin' that cowboy hat
Hottie, she's a Hottie! And just a little bit naughty
Singing Kayay digidigy,
Kayay digidigy, yey Hey hey hey Hey

Dress her up boys, I took her from the farm,
I brought her downtown, I hung her on my arm,
You've got to give a little somethin' to a cool dark cat,
Finding him a woman who could walk like that!
She's a Hottie, she's a Hottie! She's got a smokin' little body
String bikini and a barbed-wire tat (tattoo)
She's rockin' that cowboy hat
Hottie, she's a Hottie! And just a little bit naughty
Kayay digidigy, Kayay digidigy, yey
Singing Kayay digidigy, Kayay digidigy
Yey hey Hey hey Hey

Singing Kayay digidigy, Kayay digidigy, Yey Hey hey Hey
