

Broken Promises And Dead Dreams

Today Is The Day

got stabbed in the back with a knife by my friend
tried and I tried to be faithful to them you are not my friend
I should kill you beat you black blue
rip your eye cut your face hold you down just like you did rip
me off tie me up shit on me family torn
apart ripped to shredsrelapse sold my name sold me out let me
down didn't care tried to hurt end my
work relapse full of shit you are not underground lie to you m
ake you think you're so cool relapse
signed me up went on tour did my part stole the rock sold it o
ut broke up bands relapse I should kill
you beat you black corporate hit man worse than bush watch you
burn life in hell relapse
