Today Is The Day

If I say I will be true you know I will can't you just be real
with me just like you make me wanna be what I am gonna find a p
iece of mind waste of time like me why can't I find the time to
give you no way you will wait your turn and smile a lot I said
you f**k when I've found I've been so blind I can't be kind to
you my love by myself
