

Baby Let's Swing

Todd Rundgren

Laura, I saw you open in LA
There's something I gotta say
Laura, you know it's really been such a long, long time

And you know Laura, I knew you'd make it good someday
And you knew it anyway
Laura, I know that maybe this is the wrong, wrong time
But Laura where did that magic go
It's so hard, it's so cold down here
Did you have to leave me behind?
I wish that I could make it
But how I love to shuffle (how I love to shuffle)
Baby let's swing
Now I love to shuffle
Ever since I heard you sing (since I heard her sing)

Laura, I saw you in that magazine
You looked like a gypsy queen
Laura, I beat around the bush 'cause it's oh so hard
But you know Laura, it's not the best it's ever been
I think you know what I mean
I wish you'd take a look in your own back yard
To see that someone has seen it all
Seen you climb, seen you fall so low
If you have to leave it behind
I'll carry it on for ya, 'cause it's oh so hard
Baby let's swing
Now I love to shuffle
Ever since I heard you sing
