Don't Tie My Hands

Todd Rundgren

Long-lost, gone I can tell by the way you carry on And it's now I see After all of this time what it's done to me Can't you see? I can't go free If you make me watch you cry one more time

Once more I walk away, once more I hear you say Once more please try to stay, once more I may Don't tie my hands, don't lock that door Don't make me stand for this love anymore Please let me leave, don't start making that scene Don't crush me in between

No one I wanted more I wanted to love, to be mine Now it turns out I have to say goodbye And I don't see why I should have to watch you cry one more time
