Final Day

Tokio Hotel

And now we're here again Up on your roof so high The whole world can just go to hell For all I care tonight I can feel the end is near It all has come as we had feared

And if our final day has come Let's pretend to carry on And if the end has now begun Live on Live on

I just can't believe the day has come When all the clocks stand still The horizon seems to disappear And all our dreams are unfullfilled I can feel the end is near It all has come as we had feared

And if our final day has come Let's pretend to carry on And if the end has now begun Live on Live on

This is our final day This is our final day This is the final thunder Up on your roof so high Let's stay and wait for the morning Even if it's not in sight

Has our ending just begun? Don't care, pretend to carry on

And if our final day has come Let's pretend to carry on And if the end has now begun Live on Live on

And if our final day has come Let's pretend to carry on And if we stay we'll always Live on Live on

This is the final thunder Up on your roof so high Let's stay and wait for the morning Live on Live on This is our final day
