Time was running
I keep on a hunting
Longing for the one thing when you
Were changing my world

That personal feeling
This emotional healing
Is a beat that you meaning

Uh... girl, you make me feel
Sexy
I don't know why you want me
Oh woman
You make me feel
Sexy
And after all this time
I'm finally feeling fine

Wild as the ocean,
Lost in emotion,
I never had a bigger portion
Of such a blow-out of lust,
Now you say that you want me,
You say that you need me,
I'm gonna faint when you touch me!

Uh... girl, you make me feel
Sexy,
I don't know why you want me
Oh woman
You make me feel
Sexy
And after all this time
I'm finally feeling fine

You make me feel
Sexy
I don't know why you want me
Oh woman

You make me feel
Sexy
Ohh... I think
I'd loose my mind

Got a feeling that you want me
Got a feeling that you need me girl
Got a feeling that you please me
Got a feeling that you rock my world

Got a feeling that you want me
Got a feeling that you need me girl
Got a feeling that you want me

Uh... girl, you make me feel
Sexy

I don't know why you want me
Oh woman

You make me feel
Sexy
And after all this time
I'm finally feeling fine

You make me feel
Sexy
I don't know why you want me
Oh woman

You make me feel
Sexy
Ohh... I think
I'd loose my mind
