

Lionhearts

Tom Dice

This is my night call
Love you were my only spark
Yeah this is my downfall
I thought we were all lionhearts
I guess we were dreaming
I guess we were wrong
I feel the light pull me through

I don't wanna leave you
Keep holding my hand
I don't wanna leave you
It's not what we planned
What we planned

Guess we'll never share
The last crazy night in me
And every story we planned
Was bigger than love, still we

Yes we were dreaming
Yes we were wrong
I'd feel the light
Pull me through

I don't wanna leave you
Keep holding my hand
I don't wanna leave you
It's not what we planned

And there's so much left to say and do
But time is running wild
I guess sometimes the heart could be cruel

But I don't wanna leave you
I don't wanna leave you
Ooh, ooh
Ooh, ooh

I don't wanna leave you
Keep holding my hand
I don't wanna leave you
It's not what we planned
What we planned

And there's so much left to say and do
But time is running wild
I guess sometimes the heart could be cruel

But I don't wanna leave you
I don't wanna leave you
No I don't wanna leave you

Leave you
Go on and leave you
Don't wanna leave you
Don't want to leave you
Don't wanna leave you

Don't wanna leave you
