

# Morning Wonder

Tom Paxton

Morning wonder, day on the way  
Don't suppose they'll be clouds today  
Feel that silence  
Hear it starts to hum  
Glory, let the new day come  
Morning, let me find you a rose  
Wonder if my love for you shows  
I could tell you  
If you've got the time  
Glory, let the morning shine  
Let it shine on me  
Let it shine on you  
Shine on you  
Make it fine to be  
Here alone with you  
Loving you  
Morning, see the last star fade  
Morning, I'm so glad I stayed  
Who could tell us  
Where the love came from  
Glory, let the morning come  
Let it shine on me  
Let it shine on you  
Shine on you  
Make it fine to be  
Here alone with you  
Loving you  
Morning, see the last star fade  
Morning, I'm so glad I stayed  
Who could tell us  
Where the love came from  
Glory, let the morning come  
Who could tell us  
Where the love came from  
Glory, let the morning come
