

Think About Me

Tom Petty

Listen pretty baby, one of these days
Your pretty head's gonna turn my way
Honey, oh baby, you just wait
One of these nights you're gonna call my name

Oh yeah, one of these days, girl you better believe
Honey, wait and see, yeah you better believe
You're gonna think about me, you're gonna think about me, yeah

Your boyfriend's gotta big red car
He got a compact disc, got a VCR
Well, I can't do no disco dance
But I can sure love you, baby if you give me a chance

Oh yeah, one of these days, girl you better believe
Honey, wait and see, yeah you better believe
You're gonna think about me, you're gonna think about me, yeah

I said, "Oh pretty baby, is it something I've said?
Tell me why little baby", I said, "Why must you play with my head?"

"Listen little girl, I said, "One of these days
Your pretty head's gonna turn my way
One of these days, I know I'm right
Yeah, you're gonna look for me in the middle of the night"

Oh yeah, one of these days, girl you better believe
Honey, wait and see, yeah you better believe
You're gonna think about me, yeah you're gonna think about me
Alright, you're gonna think about me, baby alright
Yeah, think about me, alright
