## I Like Beer

Tom T. Hall

In some of my songs I have casually mentioned The fact that I like to drink beer This little song is more to the point Roll out the barrel and lend me your ears

I like beer, it makes me a jolly good fellow I like beer, it helps me unwind and sometimes it makes me feel mellow (makes him feel mellow) Whiskey's too rough, champagne costs too much, vodka puts my mo uth in gear This little refrain should help me explain as a matter of fact I like beer (He likes beer)

My wife often frowns when we're out on the town And I'm wearing a suit and a tie She's sipping vermouth and she thinks I'm uncouth When I yell as the waiter goes by

I like beer, it makes me a jolly good fellow I like beer, it helps me unwind and sometimes it makes me feel mellow (makes him feel mellow) Whiskey's too rough, champagne costs too much, vodka puts my mo uth in gear This little refrain should help me explain as a matter of fact I like beer (He likes beer)

Last night I dreamed that I passed from the scene And I went to a place so sublime Aw, the water was clear and tasted like beer Then they turned it all into wine (awww)

I like beer, it makes me a jolly good fellow I like beer, it helps me unwind and sometimes it makes me feel mellow (makes him feel mellow) Whiskey's too rough, champagne costs too much, and vodka puts m y mouth in gear Aw, this little refrain should help me explain as a matter of f act I love beer (Yes, he likes beer)
