

You Are A Star (Brittini's Song)

Tom T. Hall

You are wonderful
You are great
How old are you now?
Four, five, six, seven, eight

You are wonderful
You're so nice
How many times have I told you that?
Eight, seven, six, five, four, three, twice

You are beautiful
Yes you are
You know what you are?
You are a star

You are fabulous
You're so neat
How tall are you now?
Oh yeah, so many inches and feet

And you are marvelous
You're so fine
How many times have I told you that?
Umpteen, million times

You are beautiful
Yes you are
You know what you are?
You are a star
