1. Sun is red, moon is cracked,
G D A7 D
Daddy's never coming back

2. Nothing's ever yours to keep,
close your eyes, go to sleep

G D A7 D G D A7 D
R: If I die before you wake, don't you cry, don't you weep

3. Nothing's ever as it seems,
climb the ladder to your dreams

R: If I die before you wake...

4. Nothing's ever yours to keep,
close your eyes go to sleep
