

Yeah Yeah - Isn't it nice to hear the sound of music  
Yeah Yeah - I'll give you more to hear right now, so listen...  
I fuck the models of radio, I'll sing my own tonight  
I think you like this song, you will that's all I guess (yeah,  
yeah, yaeh)

Oh Yeah - why should we loose it tonight - don't you ever let it go  
Yeah Yeah - we shouldn't let the moment pass  
I see it all baby in your eyes, when you look at me  
Don't you say that isn't right

Pa ra pa pa pa da va da va  
Pa ra pa pa pa da va da va

Yeah Yeah - You should be ready now (shoul be ready)  
Yeah Yeah - don't you feel this is high above  
Do you think it's really good, would you go on it?  
Would you bring me a happiness, you will that's all I guess (yeah,
