

# Hero

Toni Braxton

You're the only one who made it through the fire, burning fire  
You're the only one who walked the water and made it to the other side

You're the one who took away the feelin' of falling  
Only one who see's the sun

You know I'm calling  
You're the one who took me by the hand showed me how to fly

And I feel so safe that I'm up in your arms  
Nothing can touch when I'm right where you are  
You busted through the doors, you came up through the floor  
Just in the nick of time to save me

Ah, my heart never had a hero, oh, oh  
Ah, my heart never had a hero, oh, oh  
When there was no one else, you saved me from myself  
Almost gave up on myself 'til you rescued me  
Ah, my heart never had a hero, a hero, a hero  
Never had a hero, a hero

Faster than the speed of light  
You come around and kill my lonely  
Better than the average man  
You beat the odds, you so incredible

Oh, you are never met someone so strong  
Never breaks down, never thought that I belong until you came around  
Nothing in this world is like the feeling  
Like it when you hold, hold me, hold me

And I feel so safe that I'm up in your arms  
Nothing can touch when I'm right where you are  
You busted through the doors, you came up through the floor  
Just in the nick of time to save me

Ah, my heart never had a hero, oh, oh  
Ah, my heart never had a hero, oh, oh  
When there was no one else, you saved me from myself  
Almost gave up on myself til you rescued me  
Ah, my heart heart never had a hero, a hero  
A hero, a hero, a hero, a hero, a hero, a hero
