

## Waltz With Me

Tonic

Waltz with me  
My love  
Tell me what  
You're dreaming of  
Hold me now  
We can share our love  
Waltz with me  
My love

Paint your face  
For me  
Only here  
Is where I want to be  
Next to you  
While I watch you sleep  
Waltz with me  
My love

Tell me something  
Will we be broken down  
Tell me something  
Will we be broken down  
Will we be broken down

Waltz with me My love  
Waltz with me My love
