

Lover Man

Tony Bennett

I don't know why but she's feeling so sad
She longs to try something she's never had
Never had no kissin'
Oh, what she's been missin'
Lover man, oh, where can you be?

The night is cold and she's so all alone
She'd give her soul just to call you her own
Got a moon above her
But no one to love her
Lover man, oh, where can you be?

She's heard it said
That the thrill of romance
Can be like a heavenly dream
She goes to bed with a prayer
That you'll make love to her
Strange as it seems

Someday you'll meet
And you'll dry all her tears
Then whisper sweet
Little things in her ears
Hugging and a-kissing
Oh, what she's been missing
Lover man, oh, where can you be?

Lover man, where can you be?
