We'll Be Together Again

Tony Bennett

No tears, no fears Remember, there's always tomorrow So what if we have to part We'll be together again Your kiss, your smile are memories I'll treasure forever so try thinking with your heart We'll be together again Times when I know you'll be lonesome times when I know you'll be sad don't let temptation surround you don't let the blues make you bad Some day, some way we both have a lifetime before us for parting is not goodbye We'll be together again
