What the World Needs Now Is Love

Tony Bennett

What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love No, not just for some but for everyone

Lord we don't need another mountain There are mountains and hillsides Enough to climb There are oceans and rivers Enough to cross. Enough to last 'till the end of time

What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love No not just for some but for everyone No not just for some but just for everyone

Lord we don't need another meadow There are corn fields and wheat fields Enough to grow There are sun beams and moon beams Enough to shine Come on listen lord if you want to know

What the world needs now is love, sweet love It's the only thing that there's just too little of What the world needs now is love, sweet love No not just for some but for everyone No not just for some but for everyone

What the world needs now is love
