

Baby Come Back

Tony Christie

Spending all my nights, all my money, goin' out on the town
Doin' anything just to get you off of my mind
But when the morning comes, I'm right back where I started again
And tryin' to forget you is just a waste of time

Baby come back, any kind of fool could see
There was something in everything about you
Baby come back, you can blame it all on me
I was wrong and I just can't live without you

All day long, wearing a mask of false bravado
Tryin' to keep up a smile that hides the tears
But as the sun goes down, I get that empty feeling again
How I wish to God that you were here

Baby come back, any kind of fool could see
There was something in everything about you
Baby come back, you can blame it all on me
I was wrong and I just can't live without you
Now that I put it all together

Give me the chance to make you see
Have you used up all the love in your heart?
Nothing left for me, is there nothing left for me?
Baby come back, any kind of fool could see

There was something in everything about you
Baby come back, you can blame it all on me
(Listen, baby)
I was wrong and I just can't live without you
I was wrong and I just can't live

Baby come back, any kind of fool could see
There was something in everything about you
Baby come back, you can blame it all on me
I was wrong and I just can't live without you
