

# Got to Be Mine

Tony Christie

It was a starlit night, no other soul in sight  
I felt the power of love surrounding me  
I saw you standing there, with moonlit hair  
A lady full of mystery

You've got to be mine, you've got to give me your heart  
There's magic in everything you do  
It's good to be under your spell  
I'm gonna wait, I'm crazy for you

Lady of mystery, what have you done to me  
My mind is turning like a spinning wheel  
When I look in your eyes, there's paradise  
I never felt the way I feel

You've got to be mine, you've got to give me your heart  
There's magic in everything you do  
It's good to be under your spell  
I'm gonna wait, I'm crazy for you

You've got to be mine, you've got to give me your heart  
There's magic in everything you do  
It's good to be under your spell  
I'm gonna wait, I'm crazy for you

Hey! Hey! you've got to be mine  
Hey! Hey! give me your heart  
Inst  
You've really got to me, you are my destiny  
You are the lady I've been waiting for  
I'll never let you go I need you so  
Each day I love you more and more

You've got to be mine, you've got to give me your heart  
There's magic in everything you do  
It's good to be under your spell  
I'm gonna wait, I'm crazy for you

You've got to be mine, you've got to give me your heart  
There's magic in everything you do  
It's good to be under your spell  
I'm gonna wait, I'm crazy for you

You've got to be mine, you've got to give me your heart  
You've got to be mine, you've got to give me your heart  
There's magic in everything you do  
It's good to be under your spell  
I'm gonna wait, I'm crazy for you

You've got to be mine, you've got to give me your heart  
There's magic in everything you do  
It's good to be under your spell  
I'm gonna wait, I'm crazy for you

You've got to be mine, you've got to give me your heart  
There's magic in everything you do  
It's good to be under your spell

I'm gonna wait, I'm crazy for you
