

# Hasta Manana

Tony Christie

I was the kind of man how like to go from girl to girl  
but suddenly you came around, my head was in a whirl  
I fell in love the moment that I saw your flashing eyes  
they smoldered darkly underneath  
the clear blue Spanish skies(Spanish skies!)  
HASTA MANANA I'll see you tomorrow  
until that time I won't know what to do  
just for your kiss I would beg, steal or borrow  
HASTA MANANA I'm dreaming of you!

In wintertime or summertime one thing is still the same  
A man must find the perfect girl to play the loving game  
Since I met you I have to say my roving days are gone  
I'll never love another girl, you are the only one! (Only one!)

HASTA MANANA I'll see you tomorrow  
until that time I won't know what to do  
just for your kiss I would beg, steal or borrow  
HASTA MANANA I'm dreaming of you!

I never thought I could say this to someone  
But I will spend the rest of my life loving you! (Chor: LOVING  
YOU)  
HASTA MANANA I'll see you tomorrow  
until that time I won't know what to do  
just for your kiss I would beg, steal or borrow  
HASTA MANANA I'm dreaming of you! \*

HASTA MANANA I'll see you tomorrow  
until that time I won't know what to do  
just for your kiss I would beg, steal or borrow  
HASTA MANANA I'm dreaming of you!
