

Uh yea g-unit  
If you ever try to blemish my character  
For notoriety shooter's I'll clap at ya  
Crib full of decorated wall paper  
Living in the spotlight homies tend to hate ya  
Sandstone ferrari with the 4 seats  
Su's rendezvous the top put her on the streets  
She a barbie in a barbie's world  
2 blunts rozay lil mama hurl  
The trap bringing in all that cheese quick  
58, 58 the size of cheese nips  
2 goddesses like charlie sheen  
Dion cherokee cause they ass is mean

It's all love when we in the club  
Keep a super shooter with me, kevin love  
Steve nash that bitch show the homies love  
Throw a nigga assist nigga love is love

I'm still fly motherfucker, suicide motherfucker  
Sex so high I glide motherfucker  
I don't walk, I don't talk these hoes no what the biznes  
I fuck em duck em they suck me and then I ditch em  
Catch me on the rebound hoe, rodman  
Southside niggas with the goons and the goblins  
Special with the k like cereal kellogs  
The lick chopper kick like ling won sickkaa  
Niggas talk but they don't live with the world say  
I leave a nigga stretched right on the curb yay  
You make the wrong move betcha I ali ya  
Making money off that white boy, bieber
