

I mix the kush up with the hindu  
And mon freaky speaks like chris angel  
I gotta mean back stroke like michael phelps  
Karate kangaroos match the big h on the belt  
I ball like chris ball, I drink the crystal  
I love hoodrats and vicky models  
I'm in hot wheels ya know fast cars  
Y'all are renters, those are not yours  
Nigga I floss the dope and the crack man  
I'm tryna burn 68 mill like the joker did in batman  
Grey and black louie demands I'm straight thuggin it  
My flows like mickie d's nigga they loving it  
Ba ba ba ba ba, I'm in a spaceship  
Strawberry cough you would think I'm smoking laced shit  
Look at the bracelt, vvs stones bitch  
Niggaz hate me cause they ain't on they own dick  
I got swag, I don't mean to brag  
And if I need to know the price then I won't pop the tag  
Nigga, I'm in a drop jag, paper tag, black mag, black mask  
I put you in a body bag  
You an r.n I'm extraordinary  
Niggaz don't know me cause they ordinary  
I'm unordinary, I'm unorthodox  
My ak I'll put big foot in a box

Drop a bag then it's off with his head  
Drop a bag then it's off with his head  
Drop a bag then it's off with his head  
Drop a bag then it's off with his head  
Drop a bag then it's off with his head  
It's off with his head, it's off with his head  
Drop a bag then it's off with his head  
Drop a bag then it's off with his head  
Drop a bag
