Don't do tahoe, only ducatti
Take off the grill now the phantom is a caddy

Got louie fendi balls on my christmas trees
Nigga yayo for preident I free all the jails out
And buy coke with that 700 billion dollar bail out
The worlds biggest re up in the guiness books

I gets the illest looks over pro tools
Nigga step ya game up buck don't I hold tools
Nicknamed her old school I call her ice tea
And that new toy I call it soulja boy

Looking like a fishbowl my life is the shiidiit
