## Too \$hort

Sophisticated, educated  
That's what I get from you  
That's what I see in you...  
You spoke the latest, fly young lady  
Do what you wanna do  
That's why I fucks with you, ooooooh

You still a freak, but you ain't out swingin' on poles  
Choosin' on pimps, and bringin' 'em hoes  
It's the same everyday, little dress and a thong  
You just doin' yo' thang bein' sexy and grown  
Sucker found out, he only wanna be friends  
He can't deal with you, you make more money than him  
I see you baby, droppin' that top in the Benz  
Wasn't bought from the money that you got from him  
It's those two degrees and that good ass job  
You never act wild in the hood in your car  
You so classy... so flashy  
I ain't trippin' girl, you could be nasty  
Got me a cute ass prosecuter  
Too smart to let a nigga prostitute her  
Before we fucked, she liked to read my rights  
And afterwards give a nigga legal advice  
She' so -

Y'all thought Too \$hort was just all about pimpin'  
Foul-mouth mack that talk bad about women  
I guess - you ain't really pay attention  
You heard "bitch" and cut it all, you ain't even listen  
All I said was if the shoe fits wear it  
And if it don't apply act like you didn't hear it  
I know all about you went to school and did good  
Made somethin' of yourself and you're straight from the hood  
You came too far to fuck up and be nothin'  
Fine broke ass bitch walkin' round sufferin'  
Actin' like her shit don't stank  
Ask her what she's doin' and her mind goes blank  
Gotta stay on the grind, make your own figures  
You wastin' time, waitin' on them niggaz  
Cause if you catch me and you're tryin' to impress me

Call me after work

I see the little cuties, I don't have to flirt  
You never have to question all the stuff I do  
Cause they don't look, cook, or fuck like you  
You's a real one, don't fight the feelin'  
Let's do it all night, up by the ceilin'  
I just want some lovin', I don't wanna fight  
You don't want a husband, I don't want a wife  
I spend nights at yo' house, you can stay at mine  
Wake up and go home when it's daytime  
You ain't all up under me, a pimp always know  
With your Benz and your penthouse condo  
And your fly ass fits, diamonds and whips  
You're damn near leavin' me and I'm in the six  
You just like your car, sexy and fast  
I'll put the pedal to the metal, I'ma catch yo' ass
