

Louie Louie

Toots and The Maytals

Louie louie, oh baby, I gotta go.
Yi-yi-yi-yi-yi
Louie louie, oh baby, I gotta go.

A fine girl, who waited for me.
I catch a ship across the sea.
I sailed the ship all alone.
I wondered when Im gonna make it home.

Louie louie, oh baby, I gotta go.
Yi-yi-yi-yi-yi
Louie louie, oh baby, I gotta go.

Three nights and days I sailed the sea.
I think of the girl constantly.
On the ship, I dream she there.
I smell the rose thats in her hair.

Louie louie, oh baby, I gotta go.
Yi-yi-yi-yi-yi
Louie louie, oh baby, I gotta go.

I see jamaican moon above.
See the girl Im thinking of.
I take her in my arms and then
Say Ill never leave again.

Louie louie, oh baby, I gotta go.
Yi-yi-yi-yi-yi
Louie louie, oh baby, I gotta go.

Oh, I gotta go now.
Uh-huh I gotta go.
