

# Amber Waves

Tori Amos

well he lit you up  
like amber waves in his movie show  
he fixed you up real good  
till i don't know you anymore  
from ballet class to a lap dance  
straight to video  
and the pool side news  
was that he would be  
launching you

[CHORUS:]

into every young man's  
bedroom - you gave it up  
on dvd and magazine -  
you gave it up  
a private rite of passage  
you gave it up  
to every boy's sweet dream  
with their paper cuts

you said "he's got a  
healing machine  
it glows in the dark  
glows in the dark:  
you say "there's not a lot  
of me  
left anymore -  
just leave it alone.  
but if you're buy, and you have  
the time, tell the northern  
lights to keep shining - lately it seems like they're drowning"

he cold light you up  
and summon every swan  
or the lakeside  
off to cabo san lucas  
for some optical stimulus  
then you started to guess  
there was someone else  
though his flint glass  
seeing all of you  
immersed in his sepia

[CHORUS]

so i went by -  
cause i had the time,  
and told the northern lights  
to keep shining  
they told me to tell you -  
they're waving
