Way to go Mr. MIcrophone Show us all what you don't know Centuries secret societies He's our commander still Space Dog

So sure we were on something Your feet are finally on the ground He said so sure We were on something Your feet are just on the ground girl

Rain and snow our engines have been receiving Your eager call there's colonel Dirtyfishydishcloth He'll distract her good don't worry so

And to the one you thought was on your side She can't understand she truly believes the lie

Lemon Pie
He's coming through
Our commander still
Space Dog
Lines secure
Space Dog

Deck the halls I'm young again
I'm you again
Racing turtles
The grapefruit is winning
Seems I keep getting this story twisted
So where's Neil when you need him
Deck the halls it's you again
It's you again
Somewhere someone must know the ending
Is she still pissing in the river
Now heard she'd gone
Moved into a trailer park

So sure we were on something Your feet are finally on the ground He said so sure We were on something Your feet are just on the ground girl

So sure we were on something Your feet are finally on the ground He said so sure We were on something Your feet are just on the ground girl
