

Don't Try

Toro y Moi

Ok, love is only funny when you're tongue tied
Find out if it's you that's really cross eyed
Woke up only cause I thought I had to
Person in the picture's really not you

Missed it when you said you can't make it
Listen, if it's me I know how that goes
Give me no ideas, I just waste them
Give me no ideas, I just waste them

Don't try to understand what you are
Don't try to make it more than it is

Don't try to understand what you are
Don't try to make it more than it is

Missed it when you said you can't make it
Listen, if it's me I know how that goes
Give me no ideas, I just waste them
