

## Go With You

Toro y Moi

I don't know how  
How we're gonna get out  
But I'm not scared  
Of getting point to point

And I won't care  
Leaving everyone behind  
Cause I've got them all  
Leaving with me in my mind

You know I can't do everything that is best for us  
Leaving our home, makes us grow, then I'll go with you  
Then I'll go with you  
Then I'll go with you

You know I'll be alright  
With whatever it is  
Our choices aren't too bad  
It's the distance

I know I push it over  
And I'm sorry for that  
Don't mean to make this hurt  
When we haven't started yet
