

## Take This

Toro y Moi

It's waste of your time  
If you want it to be  
It's a run that you take  
If you're never coming back

It's a shame that you can't  
Get a part of this  
It's a shame

It's a shame that you can't  
Get a part of this  
It's a shame

It's a waste of your time  
If you want it to be  
It's a run that you take  
If you're never coming back

It's a shame that you can't  
Get a part of this
