

Yeah Right

Toro y Moi

Who are your new friends?
Why did you bring them?
But who am I?
Who am I?
I took my time
Now I'm stuck in line
To see you
Hey, how've you been?

Yeah right
Yeah right

Let's hang out soon
I'll give you a call
I'll be around
I'll be around
I think I'll go now
What do you need?
Stay for a while
Oh let's go get high

Yeah right
Yeah right

Never gonna say goodbye, girl
Never gonna say goodbye, girl

Yeah right
Yeah right
