

Cool Girl

Tove Lo

You can run free
I won't hold it against you!
(You do your thing, never wanted a future)
Fuck if I knew how to put it romantic
Speaking my truth, there's no need to panic...!

No, let's not put a label on it
Let's keep it fun
We don't put a label on it
So we can run free, yeah
I wanna be free like you...

I'm a, I'm a, I'm a cool girl, I'm a, I'm a cool girl
Ice cold, I roll my eyes at you, boy
I'm a cool girl, I'm a, I'm a cool girl
Ice cold, I roll my eyes at you, boy

Rules you don't like, but you're still gonna keep 'em
Said you want fines for whatever reason
Show we can chill, try and keep it platonic
Now you can't tell if I'm really ironic

No, let's not put a label on it
Let's keep it fun
We don't put a label on it
So we can run free, yeah
I wanna be free like you

I'm a, I'm a, I'm a cool girl, I'm a, I'm a cool girl
Ice cold, I roll my eyes at you, boy
I'm a cool girl, I'm a, I'm a cool girl
Ice cold, I roll my eyes at you, boy
I'm a cool girl, I'm a, I'm a cool girl
Ice cold, I roll my eyes at you, boy
I'm a cool girl, I'm a, I'm a cool girl
Ice cold, I roll my eyes at you, boy

I got fever highs
I got boiling blood
I'm that fire...
We could burn together

I'm a, I'm a cool girl, I'm a, I'm a cool girl
Ice cold, I roll my eyes at you, boy
I'm a cool girl, I'm a, I'm a cool girl
Ice cold, I roll my eyes at you, boy

I'm a cool girl, I'm a, I'm a cool girl
Too cool for you
I'm a cool girl, I'm a, I'm a cool girl
I'm a I'm a cool girl, I'm a, I'm a cool girl

(Ice cold, I roll my eyes at you, boy...!)
