

Disco Tits

Tove Lo

I say hi, you say hi
We stay high
You look so pretty, yeah

I'm sweatin' from head to toe
I'm wet through all my clothes
I'm fully charged, nipples are hard
Ready to go
I'm sweatin' from head to toe
I'm wet through all my clothes
I'm fully charged, nipples are hard
Ready to go

No, I don't, I don't have a type
Take a hit
Come on over tonight
Take a hit
You can follow my bloodstream
No, I don't have a type

Live right now, peakin' on top
So wild now, I'm high as fuck
Don't look down
My mind, you can relax
I know how to dial it back
Not this time

I say hi, you say hi
We stay high
You look so pretty, yeah

I'm sweatin' from head to toe
I'm wet through all my clothes
I'm fully charged, nipples are hard
Ready to go
I'm sweatin' from head to toe
I'm wet through all my clothes
I'm fully charged, nipples are hard
Ready to go

No, I don't, I don't have a type
Take a hit
Come on over tonight
Take a hit
You can follow my bloodstream
No, I don't have a type

Live right now, peakin' on top
So wild now, I'm high as fuck
Don't look down
My mind, you can relax

I'm sweatin' from head to toe
I'm wet through all my clothes
I'm fully charged, nipples are hard
Ready to go

You think I'm drunk now, but I am not
You're so pretty, come roll with me
I'm 'bout to get down, I'm high as fuck
I'm no chemist, but it's good shit

I'm sweatin' from head to toe (oh)
I'm wet through all my clothes
I'm fully charged, nipples are hard
Ready to go (oh, oh)
I'm sweatin' from head to toe
I'm wet through all my clothes (yeah)
I'm fully charged, nipples are hard
Ready to go

I say hi, you say hi
We stay high
You look so pretty, yeah
Got good shit, what is it?
No chemist, still want that magic, yeah
I say hi, you say hi
We stay high
You look so pretty, yeah
Got good shit, what is it?
No chemist, still want that magic, yeah
