

Habits (Stay High)

Tove Lo

Oh oh, oh oh, oh oh
I eat my dinner in my bathtub
Then I go to sex clubs
Watching freaky people getting it on
It doesn't make me nervous
If anything I'm restless
Yeah I've been around and I've seen it all
I get home I got the munchies
Binge on all my Twinkies
Throw up in the tub
And I go to sleep
And I drank up all my money
Dazed and kinda of lonely

You're gone and I gotta stay high
All the time to keep you off my mind
Oo oo, oo oo
High all the time to keep you off my mind
Oo oo, oo oo
Spend my days locked in a haze
Trying to forget you babe
I fall back down
I gotta stay high all my life
To forget I'm missing you
oo oo, oo oo

Pick up daddy's at the playground
How I spend my daytime
loosen up their frown
Make them feel alive
Oh make it fast and greasy
I'm numb and way too easy

You're gone and I gotta stay high
All the time to keep you off my mind
Oo oo, oo oo
High all the time to keep you off my mind
Oo oo, oo oo
Spending my days locked in a haze
Tryna forget you babe
I fall back down
I gotta stay high all my life
To forget I'm missing you
oo oo, oo oo

Stayin in my play pretend
Where the fun ain't got no end
Can't go home alone again
Need someone to numb the pain
Stayin in my play pretend
Where the fun ain't got no end
Can't go home alone again
Need someone to numb the pain

You're gone and I gotta stay high
All the time to keep you off my mind
Oo oo, oo oo

High all the time to keep you off my mind
Oo oo, oo oo
Spend my days locked in a haze
Trying to forget you babe
I fall back down
I gotta stay high all my life
To forget I'm missing you
oo oo, oo oo
