If you're feeling kinda shy
Don't even want to try
Your dancin can improve
With a little attitude
And the attitude dance
And the
If you're feeling kinda low
don't' even want to go
Even if you change your mood
With a little attitude
In the attitude dance
In the attitude dance

Get a grip
Just cop an attitude trip
Get a groove
You need some attitude
Move your feet
Go ahead and feel the beat
What you do is up to you
Once you begin to compete
In the attitude dance

If you want to shake your hips
It don't have to be no trip
Break down and bust a move

In the attitude dance

In the attitude dance.

If you getting in the swing
You can really do your thing
And become the baddest dude
With the meanest attitude
