Don't Take Her She's All I Got

Tracy Byrd

Well, I said friend Don't take her she's all I've got Please don't take her love away from me I'm beggin' you friend Don't take her she's all I've got She's everything in life I'll ever need.

She is life when I want to live She's everything to me in life that life can give She's my water when I need a drink She's the first thought in my mind Each time I try to think.

Let me tell you now friend Don't take her she's all I've got Please don't take her love away from me I'm beggin' you friend Don't take her she's all I've got She's everything in life I'll ever need.

She's my fingers when I want to feel She's the only thing in life to me that's really real She is love she's all the love I know She could kiss the ground in wintertime And make a flower grow.

Let me tell you now friend Don't take her she's all I've got Please don't take her love away from me I'm beggin' you friend Don't take her she's all I've got She's everything in life I'll ever need.

Let me tell you now friend Don't take her she's all I've got Well, I said friend Don't take her she's all I've got I'm beggin' you friend Don't take her she's all I've got...
