## **Behind the Wall**

## **Tracy Chapman**

Last night I heard the screaming Loud voices behind the wall Another sleepless night for me It won't do no good to call The police Always come late If they come at all

And when they arrive
They say they can't interfere
With domestic affairs
Between a man and his wife
And as they walk out the door
The tears well up in her eyes

Last night I heard the screaming
Then a silence that chilled my soul
I prayed that I was dreaming
When I saw the ambulance in the road
And the policeman said
"I'm here to keep the peace
Will the crowd disperse
I think we all clould use some sleep"
