You're the One

Tracy Chapman

Some say you're crazy Say that you're no good Say your family's cursed with bad blood But I think you're cute and misunderstood And I wouldn't change you if I could

Let'em talk you down Call you names My mind's made up It ain't gonna change I'm sure in my heart Happy and free You're the one you're the one You're the one for me

Some say you're bitter Think you're mean Uncouth untamed and unrestrained But I think you're sensitive and sweet Stay as you are don't change a thing

Let'em talk you down Call you names My mind's made up It ain't gonna change I'm sure in my heart Happy and free You're the one you're the one You're the one for me

Some say you're bawdy Wicked and wild A restless useless juvenile But I think you're funny and I like your smile Want to be with you want you to stay awhile

Let'em talk you down Call you names My mind's made up It ain't gonna change I'm sure in my heart Happy and free You're the one you're the one You're the one for me

A no 'count mixed up Amount to nothing A day away from a bum on the street Some low class kind of royalty That's what they say about you When they're talking to me

Some say you're bad A bad bad seed You love to play with fire you love gambling But I know what you love and I know what you need And I like it when you play with me Let'em talk you down Call you names My mind's made up It ain't gonna change I'm sure in my heart Happy and free You're the one you're the one You're the one for me
