C  
Now that she's back in the atmosphere  
G F F  
With drops of jupiter in her hair, hey, he-e-he-y

Tell me did you sail across the sun

Did you make it to the milky way to see the lights all faded  
C  
And that heaven is overrated

G D  
Tell me, did you fall for a shooting star  
Dmi  
One without a permanent scar  
F C  
And did you miss me while you were looking at yourself out there  
  
Now that she's back from that soul vacation  
Tracing her way through the constellation, hey, he-e-he-y  
She checks out mozart while she does tae-bo  
Reminds me that there's time to grow, hey, he-e-he-y

C  
Now that she's back in the atmosphere  
G F  
I'm afraid that she might think of me as plain ol' jane  
F  
Told a story about a man who is too afraid to fly so he never did land  
  
Tell me did the wind sweep you off your feet  
Did you finally get the chance to dance along the light of day  
And head back to the milky way  
And tell me, did venus blow your mind  
Was it everything you wanted to find  
C  
And did you miss me while you were looking for yourself out there
