

I'm dyin', I'm dyin', I'm leaving this world
I'm not even worried if tomorrow's a-coming
You're all in the same boat as me, I'm afraid
You know I'm not lying, it's only a rain cloud

You love me, my darling, you love me so kind
If I come home tonight, dear, I'll never come home
And outside the moon shines so softly again
Literal meanings are all left defenseless

And I'm alone when I'm runnin'
And I'm alone when I'm down
And I'm not often right here
But I'm less often lyin'

Well all of my good friends they come to my door
Say you're not going nowhere, don't be crazy
I end with the Nile, I end with a smile
I'll end all confusion, I haven't the time

And I'm alone when I'm runnin'
And I'm alone when I'm down
And I'm not often right here
But I'm less often lyin'

I'm dyin', I'm dyin', I'll say it again
It won't change a thing, no, it won't slow me down
And if we're all just dyin', stop wasting my time
Stop wasting your own as well, don't be crazy

And I'm alone when I'm runnin'
And I'm alone when I'm down
And I'm not often right here
But I'm less often lyin'
