

Impossible

Travis Scott

You the one, you know me the best
You the one I call when I'm stressed
This the time of the year I feel alone
This the time of the year you treat me wrong
This the late night, you know the deal (deal)
On a late night no where to chill
Yeah, I'm on the west, yeah, I'm on the west side
Off the drugs, no, I'm not the best guy
But you know I always get it done
You done had all of the rappers, I'm the one, yeah
Ain't gon' lie, I remember how it feels, yeah
Ain't gon' lie, I'mma tell you this for real, yeah
Split a pack of the woods down
Ride with me, yeah, you wish you could now
Always come and go and never fail
It was never love, I could tell now
She popping more Blue Chanel just to get it up
Parking lot full of foreign hoes on the regular
With them painted toes in them heels
Let's go find a place that's far from here, for real

Nights like this, nights like this, I wish I could do the impossible
I wish I could do the impossible
Nights like this, nights like this, I wish
I could do the impossible, I could do the impossible

You the one, you know me the best
You the one I call when I'm stressed
This the time of the year when I'm alone
This the time of the year we get it on
I can't lie when I ride on the west
Yeah, the west, yeah, yeah, the west side
And lately I ain't been feeling the best
Cause you the best, yeah, you my best high
They know what you're dealing with
Know you know what's wrong, what the feeling is
Yeah, yeah, yeah, yeah, yeah
Rastas rolling in Benz up in here
Bandits poppin' them bars up [?]
Man don't run up the bands that make them gun claps in here
No fear, no fear, you rock, I hear
I'm gon' let you know that the man is for real
Yeah, for real, for real

Nights like this, nights like this, I wish I could do the impossible
I wish I could do the impossible
Nights like this, nights like this, I wish
I could do the impossible, I could do the impossible

I wish I could do the impossible
I wish I could do the impossible
I could do the impossible
